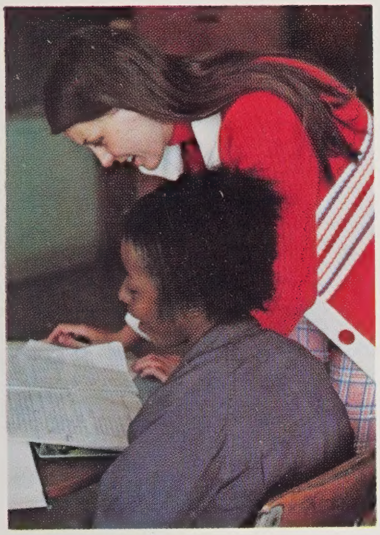
ADVERTISEMENTS

DEDICATION



Mrs. Karen Guinn

The FOOTPRINTS is proudly dedicated to a person for whom everyone has the greatest admiration and respect. As a teacher and friend of the students at Lillington High, she has done much to instill in them those qualities which will best prepare them for their roles as mature useful adults.

Her understanding, patience, and wisdom are some of her outstanding qualities. Any problem, large or small, gets the same friendly, intelligent consideration. As a history teacher, her enthusiasm and knowledge have helped students to gain an interesting insight into the area of culture. Her abilities are also exhibited in the capable leadership and guidance she has given to the Junior Class of '74 on the Junior-Senior Prom.

We know her as a person whose principles and integrity have served both her and each of us as a guide in our education and daily life. For all of these things, we proudly and gratefully dedicate the 1975 FOOTPRINTS to our friend and teacher, Mrs. Karen Guinn.

SENIOR CLASS HISTORY

1971-1972 was the year of searching and determined freshmen. Stubborn and courageously they insisted on being noticed by upperclassmen. To ascertain this goal, they swarmed into athletics, clubs and classrooms ready to make their presence realized at Lillington High School. Yes, their unusual attitude was beneficial to LHS for they were champions in athletics, notorious in diligent clubs, and respectful in the classrooms. The freshmen had succeeded and became recognized and even received compliments from upperclassmen, (which of course were whispered.)

In the school year of 1972-1973 these freshmen returned as sophomores. The girls had "filled out" during the summer and received many whistles as they confidently displayed their pretty legs. The boys accomplished their popularity by returning to athletics. LHS was champion or runner-up in EVERY phase of athletics. This unique sedulous sophomore class wasn't quite satisfied yet. But this was accomplished when Mrs. Byrd went hysterical over the fact that twenty "whiz-kids" were tapped into the Beta Club. Finally this class was fully confident of their achieved status at LHS. In 1973-1974 the Juniors returned in their new cars. They also returned with their distinguishable attitude. This was the first year for LHS in the Mid-Carolina 2A Conference. These Juniors received as much attention in athletics as the Seniors. They courageously accepted the unusual agony of defeat and proudly accepted the glory of victory. These Juniors also became leaders in extra-curricular activities and proudly upheld L.H.S. They sponsored the Junior-Senior Prom, bought class rings, and the more elite became Junior Class Marshalls. The Juniors left that spring with smiles, some created by success, others by being promoted to the Senior Class.

Now this class, the "Seniors of '75," are the leaders in all of the athletics and extracurricular activities. They have made considerable improvement in athletics. Once again L.H.S. is beginning to look like the "Powerhouse in Sports." The clubs are unselfishly and ardously dedicating their time and effort into restoring the school spirit which was slightly devasted a year ago. Perhaps they are too busy striving to achieve these goals, taking SAT's, sending off college applications, ordering caps and gowns, ordering invitations, and deciding what to do after graduation in order to fully appreciate their success. They have truly been a great asset to L.H.S. Congratulations Seniors of '75 for achieving all for which you had to strive.

PRINCIPAL'S MESSAGE

To the Seniors:

Think back a couple of years. Are you still doing things the same way? Has your thinking changed? Have you matured?

All of you will continue educational growth regardless of whether you choose to further your formal education or enter directly into the world of work.

I issue to you, the Senior Class of 1975, the challenge of rationalization. Before making a decision, weigh the consequences carefully. Proceed only if that decision is truly beneficial to you as well as being in the best interests of your family, friends and associates.

Cavaliers Of the Week

Coach Bob Lonker announced monday the Cavaliers of the Week, based on the grading of game film from the August 23 scrimmage with East Montgomery.

Top performers were center Jeffrey McDonald and end Mark Byrd, each of whom earned 34 out of a possible 40 points on the grading of 10 plays

Quarterback Jeffrey Walker rated 33 out of 40.

Jets Roll Past Cavaliers

The story of Lillington's football game with Jordan-Matthews Friday night was simple: it was a against a better one

well in all of it."

The game's atmosphere was not marred by the temper flare-ups that had marked the previous week's game with Trail.

Jordan Matthews, Siler City's consolidated high school, was ranked eighth in the state among 2-A schools before Friday's game, Lonker noted.

In Friday's football action, the brightest star on the Lillington was fullback Rick Jernigan, sophomore, who

depth, like last week's Jordan-Matthews or this week's Union Pines, can use a platoon system that brings about a nearly complete change in personnel when the ball changes hands. Platooning provides valuable rest time that small-school players can't count on.

Lillington Downs Erwin

By Donald Giles

The Lillington Cavaliers picked up their second in a row Friday night with a 28-20 homecoming victory over the Erwin Redskins.

The Cavaliers had to spot the Redskins six early points. Erwin had failed to move the ball early in the game and were forced to punt, but a roughing the kicker penalty gave the Redskins the ball and a first down.

A pass to Jonathan Woodworth from the Lillington 41 produced the Erwin touchdown.

Milton Elliott took the kickoff to his own 35. Operating from a single wing, the Cavs sent Freddie Womble running for seven yards and Wayne McLean for eight more.

Womble kept three more times for ten yards, setting up Elliott's run to the Erwin 36. A pitch out to McL Wombl Erwin again After Cavalier stopped, the ball Woodwor extra poin

After a Lillington punt South Granville started another drive Again the defense stopped the Vikings this time on Wayne McLean's fumble recovery in the end zone.

But the Cavalier offense couldn't get started and another punt followed. South Granville moved to the 15, stalled and set up for a field goal.

Lee Smart crashed through the Viking line to block the attempt. Smart's efforts were the beginning of a 78-yard Cavalier scoring campaign.

TO THE EDITOR:

Congratulations to the Lillington Cavalier football team and Coach Bob Lonker for ending the 1974 season on a winning note.

Friday's 14-7 win over South Granville enabled Lillington to finish with a 3-2 record in the 2-A Capital Area Conference, good for third place behind Fuquay and Apex, and a break-even 5-5 overall mark.

This conference finish, which places the Cavaliers ahead of Erwin, South Granville and Clayton in the final standings, does not sound extraordinary unless one is familiar with the difficulties the team and coaching staff have had to face.

After having been a league champion in 1972, it was hard for Lillington to take the knocks it received last year in its first season in the 2-A ranks.

This year, even though it was the smallest school in the league, Lillington climbed form the cellar to finish third behind two teams ranked in the state's top ten.

Congratulations are due for a job well done.

Neither team threatened on the next pair of exchanges around midfield.

Then with 9:30 remaining in the second period, Lillington took over on downs at their own 35. Womble ran it out to the 40 and end Hal Byrd took a Jeffrey Walker pass to the Boone Trail 45.

A 15-yard penalty advanced the drive to the Pioneer 30, but the Cavalier offense fizzled out and turned the ball over on downs.

A pitch-out and a pass and a couple of roughness penalties on the Cavaliers moved Boone Trail to within 10 yards of the goal line again.

But a fourth-down McNeill-Peterkin pass was incomplete and Lillington took over with 1:53 left in the half. An 11-yard pass from Walker to fullback Rick Jernigan, a 10-yard run by Womble, and a Womble pass to

Boone Trail's third period kick-off gave the Cavs possession at their own 21. They drove to midfield on 16-and 14-yard runs by sophomore halfback Paul McDougald, but a clipping penalty stopped it all at the 49, and Lillington punted.

The subsequent Pioneer drive was stopped before it began by a fumble that gave the Cavaliers the ball on the Boone Trail 26. Six plays later Womble pushed it over from the 2 again. The conversion failed, leaving Lillington with a 14-0 advantage with 6:20 to go in the third quarter.

Boone Trail punted after three tries for a first down. Officials sent Ronald Taylor, 265-pound sophomore tackle, to the Pioneer bench on the play after an exchange of words.

Lillington Tops Clayton, 31-24

By Donald Giles

The Lillington Cavaliers ... cked Clayton with two quick first-quarter touchdowns en route to a 31-24 football victory Friday night in Clayton.

The first Lillington score came on the first Cavalier play from scrimmage. Quarterback Freddie Womble threw a 70-yard touchdown pass to end Milton Elliott ... kicked the extra point

Womble eventually sneaked over for the score.

The conversion attempt failed, making it 13-0, Lillington.

Clayton took the Cavalier kickoff and started a drive that went to the Lillington 11, at which point the defense got tough and held on a 4th and four and took over on downs.

Lillington punted after three plays, sending the defense back

Earp carried to the 13, then Robert Poole went to the 11. Two carries later, Earp scored. A successful two-point conversion made it 13-8.

Late in the second quarter, still down 13-8, Clayton took over on the Lillington 49. A pass to Benji Blinson went to the 41 with less than half a minute to go.

Quaterback Butch Baily found Blinson open again for a 41-yard

drive. Womble ran to the 48 and a pass to Jernigan moved it to the Comet 35.

A Womble to Freddy Frye pass netted 10 yards and a Wayne McLean run another 17. After a penalty against the Comets, McLean took it in for the score.

Womble ran for the two points after and Lillington trailed by three, 24-21.

MESSAGE FROM THE EDITOR

Another year has passed, and another edition of FOOTPRINTS is presented to you. Unending hours of hard work, patience, and effort have made this publication possible. Without the determination of the '75 Staff, the deadlines would never have been met, sections would not have been in on time, and money would not have been raised.

Again this year we were able to provide color pictures in our annual. This was made possible by the help of our advertisers, the buyers of Barbecue tickets, and the sellers of those tickets. The '75 staff, and a few extras, worked continuously to raise the money that was needed to achieve this. I'd like to give special thanks to all that helped us reach our goal.

We have also added a new section this year called "Academics." In this section we tried to give you some idea of what is being taught at L.H.S. We did this by taking snapshots of different classes for each subject, and then telling you a little about them.

I would like to express my appreciation to some of those who helped make this publication possible. Mr. Ed Goldston, and Mr. Sid Davis, from Hunter Publishing Company, were always there to help us with our questions and problems. Mr. Jerry Ennis and the faculty were very cooperative and patient in permitting us to be excused from classes whenever necessary. Mr. and Mrs. Earl Roberts and Mr. and Mrs. Jerry Jackson graciously allowed us to use their lovely homes for pictures. Our photographer, Stephen Williford, put in long hours of work on the annual. Many thanks go to Stephen and his family for their undivided attention and help when it was needed. The '75 Staff did an excellent job of taking care of their sections and seeing that the job was well done. A special thought of appreciation goes to those who stayed long hours after school and who worked all through the year to make the final deadline. I am grateful for all the ideas, suggestions, and good humor of the staff. Shirlena Hicks, Assistant Editor; Beverly Hardee, Business Manager; and Wanda Williams, Assistant Business Manager have been valuable and resourceful co-workers.

Last, but certainly not least, the Annual Staff would like to give a warm and sincere "thank you" to our Advisor, Mrs. Helen Stewart and our Assistant Advisor, Mrs. Carolyn Godley. Mrs. Stewart worked as hard, if not harder, than anyone else on the annual. She guided us, and made sure that our jobs were done correctly. Without her, the 1975 edition of FOOTPRINTS would never have been published.

Congratulations to the SENIORS of '75 and may you be on the path to a rich and rewarding future.
